Service

If you prefer not to manage the buffet yourself we can provide members of staff from In the Bag to set up and serve the buffet, keep the flow, tidy the buffet as it goes along, do the washing up, clean and tidy up and remove the used trays and other rubbish afterwards.

For this service staff time is charged at £10.00 per hour per member of staff and is subject to VAT. The first hour is charged in full and thereafter is charged by the quarter hour to suit the occasion.

If using our staff, we can also offer a service providing tea, coffee and cold drinks where facilities exist (price on application).

I hope that the details above will help you to decide which buffet options are best suited to your needs.

Please do not hesitate to contact us at the shop should you have any further questions.
